Evanston, Ill. 60201

Gentlemen:

Last night's 10 o'clock news program on the Washington, D.C., Metromedia station (WTTG - Channel 5) reported a study by a member of your faculty on Lee Harvey Oswald and his reading and writing habits.

I have written extensively in this field and would appreciate a copy of this and anything similar you can provide.

Thank you.

Sincerely,

Harold Weisberg
